Re: New U.S. Patent Application

Dear Mr. Masaki:

We enclose for your records a copy of the patent application filed in the U.S. Patent and Trademark Office on December 5, 2003.

The American Inventors Protection Act of 1999 makes available to patent applicants extensions of the patent term where the USPTO causes delays during examination. The USPTO defines the types of delays giving rise to such extensions of time. However, any potential term extensions caused by USPTO delay are offset or reduced by any delays caused by an applicants' "failure to engage in reasonable efforts to conclude prosecution." Consequently, filing any papers (Information Disclosure Statements, Responses to USPTO Office Actions, etc.) is best done promptly.
